

Call for Abstracts

RESEARCH SYMPOSIUM

Dear EIWR staff, students and scientific community,

The Ethiopian Institute of Water Resources (EIWR) plans to organize a 1-day research symposium on 27 June, 2017 which gives an opportunity for researchers to share their new research findings and practices which are of high scientific significance and socio-economic benefits. The symposium aims, among others, to catalyze discussion and dialogue on new research findings and developments in the broad areas of water.

Themes for the Symposium

Theme 1. Water resources systems and hydrology

Theme 2. Irrigation, climate change and food Security

Theme 3. Transboundary water management and governance

Theme 4. Water, Sanitation and Hygiene (WASH)

Theme 5. Water and wastewater treatment

Researchers are kindly invited to submit their research abstracts of Maximum 400 words for oral presentation at the symposium.

Key dates

Deadline for submission of the abstracts: 15 June 2017

Notification of selected abstracts: 20 June 1, 2017

Symposium: 27 June, 2017
